we didn't see these 3 things coming

- 1 - from WIAA
- 2 - words at board meetings coming @ US from community were shocking
- 3 - did not see UNIA ~~consequences~~ consequences. from what we did & didn't do

~~After~~ After BSD presented findings on violations that ultimately was leaked to Seattle Times Kingco asked BSD to keep under wraps

"Even though didn't do anything we will shoulder - to protect kids"

"willing to take anything and all to shield kids so gouged adults not kid"

~~no~~ ~~had~~ a parent/player meeting last week Harrison ~~had~~ assured players/parents w not be affected by any sanctions

Miy Linn → see that proves it.

Kids weren't suppose to be affected Harrison did not lie, that's the understanding.

Kingco asked BSD to keep under wrap!
